

"22 Years"

(All Guitars - George Cole, Vocals - Mike Wells, Music written by Cole, Lyrics written by Cole/Wells,
Drums - Mike Wells, Bass - Mike Beckert)

6 lines of theory

4 walls that block

Neon Queen, evil Kings

with harsh words that mock

each swell that consumes

put me in this vacuum

each swell that consumes

put me in this tomb

stuck inside

22

22

22

22 years

6 lines of passion

4 halls to rock

neon Queens steal your dreams

with harsh words that mock

each swell that consumes

put me in this vacuum

each swell that consumes

put me in this tomb

stuck inside

22

22

22

22 years

i feel your hate
i see it in your eyes
i know my fate
if i let you decide
a world that's fake
so full of your lies
i found my escape
through these 6 lines
